INFORMATION DISCLOSURE STATEMENT (IDS)

Commissioner for Patents
P.O. Box 1450
Alexandria, VA 22313-1450

Dear Sir:

In accordance with applicants' duty to disclose attached are PTO-1449 form and the documents referred to therein, except for the U.S. patent.

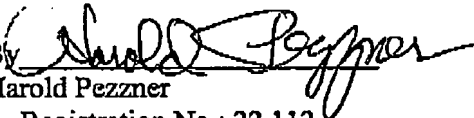

This Information Disclosure Statement is being submitted because the Office Action of March 20, 2007, indicated that no Information Disclosure Statement had been previously filed. In fact, however, the same art cited in this Information Disclosure Statement was included in an Information Disclosure Statement filed concurrently with the filing of the application. Attached hereto is a copy of that originally filed Information Disclosure Statement and a copy of the return postcard from the PTO wherein the Information Disclosure Statement is listed as one of the documents filed. As a result, it is submitted that no fee should be required for the submission of this Information Disclosure Statement since it is really a replacement for what had been filed prior to the first Office Action and within three months of the filing of the application which would have required no fee at that time. If, however, a fee is required the Commissioner is authorized to charge such fee to Deposit Account No. 03-2775.
